

Prior Approval Checklist
Department of Personnel & Administration
Division of Human Resources

This checklist is a guide for all human resource and contract administrators, fiscal officers, purchasing agents, and other state employees who are responsible for acquiring services, commodities (goods) and real estate on behalf of the State. Prior to purchasing **any** service, the appropriate state agency (including your own) needs to be contacted to determine if it can provide the service for your agency. If your needs cannot be met, your agency will be granted permission to outsource the services. Your agency is responsible for requesting a **current waiver letter** and placing it in your files. It may not be necessary to obtain a waiver letter for commodities and/or real estate. However, when your agency receives approval to procure commodities and real estate, you will be instructed on other requirements. **Note:** Some agreements may require multiple prior approvals.
